Docket No. 2022-23-E

Update on Consultation/Stakeholder Process

Dear Ms. Boyd:

By letter dated January 11, 2022, Santee Cooper advised the Public Service Commission of South Carolina (“Commission”) of its plans regarding Santee Cooper’s triennial IRP and the stakeholder process required by S.C. Code Ann. § 58-37-40(A)(3). Specifically, Santee Cooper stated that it “intends to initiate its consultation/stakeholder process in the first quarter of 2022” and recommended that the Commission schedule its 2023 triennial IRP to be filed on May 15, 2023. Santee Cooper respectfully provides the Commission and parties at this docket with the following update on the IRP Consultation/Stakeholder Process.

The initial IRP stakeholder meeting will be held virtually on March 1, 2022, beginning at 9:00AM Eastern Time. That meeting will be facilitated by Vanry Associates. The preliminary agenda for this initial meeting will include a company overview; a description and overview of the IRP development process; previous resource planning studies undertaken by Santee Cooper; Santee Cooper’s current resource position; the IRP development timeline and an introduction to Santee Cooper’s modeling approach; and next steps.

Future stakeholder meetings are tentatively scheduled for April 2022; June 2022; Q4 2022; and Q1/Q2 2023. Details regarding these future meetings will be provided closer to the actual meeting dates.

Stakeholders will have ample opportunities to ask questions and supply feedback and input during these meetings. It is anticipated that future meetings will include reserved time slots for stakeholder presentations.
